STEP-BY-STEP RITUAL GUIDE

A comprehensive walkthrough to guide you through every moment of the experience.

1. ARRIVAL & GROUNDING

Find a comfortable space where you won't be disturbed. Take a few moments to settle in, silence your phone, and disconnect from the outside world. This is your time.

2. OPENING THE CIRCLE

Take three deep, cleansing breaths. Inhale positivity, exhale tension. Visualize a protective circle of light around you, creating a safe container for your experience.

3. ACTIVE ENGAGEMENT

Participate fully in every activity. Whether it's listening, sharing, or reflecting, give your whole heart to the process. The more you put in, the more you will receive.

4. DEEP REFLECTION

Use the provided journaling prompts to explore your inner landscape. Be honest with yourself. There is no right or wrong here, only your truth.

5. CLOSING & INTEGRATION

As we conclude, take a moment to express gratitude for yourself and this community. Carry the insights and energy you've cultivated here into your daily life.

LETTING GO SHEET

A safe space to release old habits, limiting beliefs, and heavy burdens.

INSTRUCTIONS: Write down everything that feels heavy or no longer serves your highest good. This is an act of release.

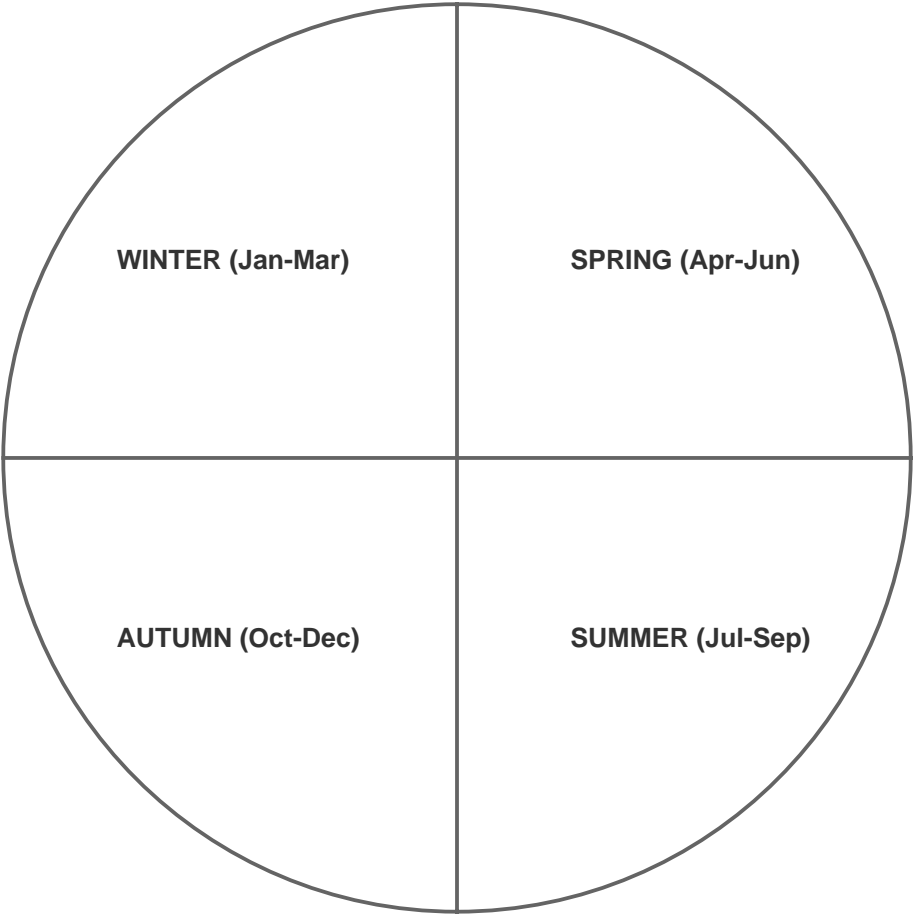

What burdens are you carrying that you wish to set down?

AFFIRMATION OF RELEASE:

'I release these things with love and gratitude for the lessons they taught me. I am now free to move forward lighter and brighter.'
